OFFICE OF The Engineer Officer, City Improvement Trust Board, Bangalore.

Date 15th February 1945

The Secretary to Government,

Law Department, Bangalore.

Sir

Rate of wages for unskilled labour.

I have the honour to state that as per sanctioned schedule for 1944-45, the daily rate of wages permissible to an unskilled labourer in the City of Bangalore ranges between annas ten and twelve. But due to abnormal conditions created by the war it has not been possible to procure labour on the basis of Schedule of rates. As there is acute demand for labour in and around Bangalore by the Military on attractive terms, the Department is finding it hard to get men on even twelve annas per day, the maximum permissible as per schedule of rates. It has become necessary therefore to engage the men at rates ranging from Re.1/- to Re.1/4/- per day and I request that sanction of Government

P.T.O.

may kindly be obtained to these revised rates being paid to the men. Some nominal Rolls have been held up for want of sanction and I request early orders of Government. These rates are actually being paid now by the Executive Engineer, Concrete Division, Bangalore.

I have the honour to be,
Sir,
Your most obedient servant,

Ramseeny
Engineer Officer,
